荣耀全球品牌主题曲《Go Beyond》中文填词

作曲: Andy Love

英文词: Andy Love

中文填词:朱焘 (我的荣耀 ID:拾光漫步)

### 1、中英文对照版:

I've come so far away from home

你看到了吗? 我再次出发

There's no way I'm turning back now

不管前方深渊或悬崖

My destination is unknown

我的步伐, 从不停留

So I'll keep pushing never slow down

害怕与退缩就没了借口

A big blue sky a pocket of dreams

时不我待,趁月朗风清

A head full of hopes possibilities

穿过黑暗,奔向那黎明

I'm taking a chance to reach for the stars for the stars

我脚步坚定,日夜不停,不放弃

If I fall

梦想的花

Then I'll get back up try again come back stronger

经得起冷眼嘲笑化作雨雪交加

No walls they build can stop me now

星空下,它静静发了芽

Let's keep chasing the sun

只要心中有光

Do what can't be done

就无惧风浪

Let's go beyond go beyond

我会在路上,在路上

Push the limits take flight

没什么能够阻挡

We'll break through the sky

我和命运对抗

And go beyond the stars

就在路上,去闯荡

With every step we take

笨鸟已张开翅膀

We'll lead the way

热血滚烫

These walls we're breaking em' down

向星辰大海扬帆起航

And we'll leave them all in the dust

号角在耳边又再次吹响

New horizons waiting for us

点燃我心底的小小希望

Because we were made to go beyond

去追寻,哪怕,还在路上

I won't forget where I came from

有种力量,在我胸膛

I'll use my past to build a future

指引我在逆境中成长

Keep moving forwards go beyond

仿佛在说只要在路上

What they thought possible

终会到达远方

If I fall

梦想的花

Then now I'll get back up try again come back stronger

经得起冷眼嘲笑化作雨雪交加

No walls they build can stop me now

星空下,它静静发了芽

Let's keep chasing the sun

只要心中有光

Do what can't be done

就无惧风浪

These walls we're breaking em' down

向星辰大海扬帆起航

And we'll leave them all in the dust

号角在耳边又再次吹响

To go beyond

就在路上

**Expectations and dreams** 

一路经历的过往

To be stronger to push harder than before

有些倔强,有些疯狂,都是我

It's a time for change

追逐荣耀的勋章

We're standing on the edge of great

时刻激励我初心不忘

Let's keep chasing the sun

只要心中有光

Do what can't be done

就无惧风浪

Let's go beyond go beyond

我会在路上,在路上

Cause every step we take

笨鸟会一如往常

We'll lead the way

热血滚烫

These walls we're breaking em' down 向星辰大海扬帆起航

And we'll leave them all in the dust

号角在耳边又再次吹响

New horizons waiting for us

点燃我心底的小小希望

Because we were made to go beyond

去追寻,哪怕,还在路上

beyond, beyond, go beyond

梦想,在前方,在路上
